From Nancy Schecter

I apologize for providing low-quality aprons. The logo patch comes off in the wash!! Progressive Graphics, the company we used, wants to make it right. We will get a full refund. No one needs to return their bad apron, and we can still use them for Stone Soup Wednesday (Volunteers, I will email you soon!) Once the logo comes off, you can keep it, or perhaps donate it to your local Pottery Center for studio use.

The new aprons:

We will order light sand colored aprons with screen printed red logo, all 1 color. Fabric is 65% polyester, 35% cotton, sturdier than the last batch, and better hemming. Pullen employees have them in green, if you want to see one. This process is easier, so costs less: \$10 each for 100. The board will decide how much to subsidize (last time it was \$4).

The 24 people who paid \$10 (I kept track of who bought them) can get a refund, or wait for your new apron and receive the difference back, up to you. For checks, same thing, let me know if you want it destroyed and start from scratch. If your check included a new membership, let us know if you want us to cash it, and refund you the difference when you get the new apron.
