March Program:

Marsha Owens has been making pottery for close to 35 years. She and her husband, Rick Moss, run their small business out of their studio in Raleigh. She makes a variety of ceramic items for everyday use. Marsha uses colored slips and various resist techniques, as well as carving and texturing methods.

Minutes from February 2018

President Elena Ceberio called meeting to order.

Tee shirts –Orders need to be placed by March 1 so Elena can deliver to the April meeting. No orders will be accepted after March 10. Elena wore to show quality. The link to order is on the website on the home page at the bottom, the tab takes you to the tee shirt shop. You purchase direct from the vendor. They are shipped to Elena.

Artsploure: DATE: May 19 and 20. It has been confirmed that the event this year will be on Saturday and Sunday only—no Friday. Thanks to Cindy Reed, who will take over the coordinator job.

Live Local Spring Fest: The general information has been emailed. TPG will not be sponsoring a group tent but you can participate as an individual. The specifics are:

Date: April 14, 2019 Saturday

Hours: 12:00 – 7:00 load in time starts at 8:00

Group rate: If a member is willing to coordinate, potters would split the cost of the tent plus \$10 per person, similar to Artsploure

Individual rate: 12X12 booth fee is \$60 or 24X12 booth fee is \$110

Contact: Emily Henderson: vendors@artsplosure.org

Nominating committee:

Sarah Peters is trying to get two members to be on the nominating committee; she will be the third on the committee. Sarah asked for volunteers to work with her and promised most of the work can be done remotely via emails.

As outlined in our bylaws, the members of the current Board who have served for two consecutive years are not allowed to serve in that same capacity going forward. There is a full slate open next year and it is important that there is a solid nominating committee. Elena asked members to consider being on the Board.

Reports:

Treasurer: In Andi's absence, Elena gave the balance in our checking account Corresponding secretary: No report

Recording Secretary: In Ronni's absence, last month's minutes were approved as submitted..

Librarian: There are three new videos in the library and two have already been taking out so one is left. Advise Patrick if there is anything you are interested in the library purchasing.

List serve: Patrick said he will be sending out another invitation to join the Outreach Group one last time. It has been discovered that the invitation is time sensitive and expires. This is for the Outreach group for which you need to accept the invitation in order to participate.

Hi Everyone,

I have been working on the Triangle Potters Guild web site, adding new members, and updating the site with the members current information. Please take the time to look at your page and make sure all the information is correct. The web site has some cities listed for older members..... or rather members that have been members since the web site was built. If you would like your city removed or added, or any other changes to your page, please send me an email. On the subject line for the email, write: **TPG web site**.

Also, those of you that have not yet sent in photos of your pottery..... Remember you are allowed up to 12 photos, a bio about your self and a profile photo of yourself. If you have sent in photos of your pottery it will be included in the rotation on the home page, which means more exposure for you. You can email this info to me. Please make sure the photos you send are of good quality and not copied from your Facebook, as Facebook reduces the size when they are uploaded to the website.

Hope to see everyone at our next meeting on Jan. 9th,
Theresa Glisson / Webmaster
